

# Jedi Mind Tricks Lyrics

"Chalice"

(feat. Chip Fu)

*[Chip Fu:]*

Now everybody talk 'bout this and that  
They chit and chat but seem that them that know exactly what to say, hey  
Even when everything is going astray (going astray, people)  
No, no way  
Cos when I see them that know, they running for the mountains  
Like when them explode  
And even when them gun exposed  
See those  
All the people that you have to keep away (Keep away y'all)  
See trust me then they know

*[Jus Allah:]*

I have been to Hell before  
Befriended the Devil and Skeletor  
Wish I could visit the fellas more  
Wish that I could get more bodies through the cellar doors  
I'm always thinking of others  
Should probably think of myself more  
But I don't worry about sells and house scores  
I'm more into L's than health stores  
I like wars and whores, tours and shores  
Liquor and Coors  
Sex, cigarettes and sycamores  
Always got one to roll up and one twirled  
All about guns and girls in this underworld  
So I got a truckload of guns and gusto  
But I don't go around shooting ducks and buffalo  
I like it when the streets are crowded  
I don't think to be discreet about it  
Drinkin' blood beats a salad  
So I gotta put a lot of work in  
Cause I'm usually thirsty again  
Before it even leaves the palate
